

# University of Utah School of Computing

CS 1060

Bonus Activity #1

Spring 2016

---

**Due Jan 19, 2016 at the start of class**

This is a bonus class activity, with a total of 5 possible points.

You are asked to participate in an “Imitating Imitation Game”, inspired by the Turing Test.

Please see class lecture for details.

You will get 2 points for participating, another 3 points for winning the tournament.
